MEMORANDUM

SUBJECT: Categorical Pretreatment Standards Reference Manual

FROM: James D. Gallup, Chief
Technical Support Branch

TO: Regional Pretreatment Coordinators
RPSDC State Pretreatment Coordinators

A three volume reference manual containing all the categorical pretreatment standards has previously been sent to each Region and RPSDC State. In August 1986 we provided a package containing regulatory changes by industrial category.

I have attached the most recent revision for inserting into your manual. This package includes copies of all regulatory actions between August 1986 and January 1987. Please insert this material according to the provided instructions. If you have any questions, please contact Tim Dwyer of my staff at 202-475-9526 or (FTS) 475-9526.
